ACTING *Classes*

We have been nurturing and training young performers through the performing arts since 2011, equipping talented individuals with self-confidence, strong public speaking abilities, and essential skills for stage, film, and television acting — all while cultivating a lifelong passion for the arts.

Join our weekly 60-minute classes, where students create their own short films, explore the craft of TV and stage acting, and are introduced to the exciting world of voice-over performance — just a glimpse into the many creative experiences we offer.

R850 per month

Learn how to sing correctly and safely. Starting vocal training at a young age helps develop healthy tone, proper technique, and prevents the formation of harmful vocal habits.

We offer two class options, creating the ideal environment for growth and individual attention: 30-minute one-on-one sessions, or 60-minute group sessions with a maximum of four students per class. Students participate in regular vocal recordings to track progress, and showcase their growth in two vocal performances each year.

Group Training: R850 per month

One-on-One Training: R1200 per month

COACH

D'niël

D'niël is not only the owner and founder of TA-DA! she is well known in the industry. She played characters in Binnelanders, Getroud met Rugby, Muvhango and many more, what makes this class more special is the fact that she is a mom, to a little performer - Zinzi Harmony. Throughout the last 3 years she noticed that there was a gap in toddler performance education, so she wrote her own curriculum for her daughter with hopes to share it with your little one.

YOUR JOURNEY STARTS HERE

At TADA! Theatre Arts and Drama Academy, we believe everyone carries creativity, confidence, and potential waiting to be unlocked. Our classes are more than training — they are a space where performers grow in skill, self-belief, and joy. There is no set start date — students may join at any time. With small class sizes, we ensure personalised attention and high-quality training in a supportive, professional environment. We'd love to welcome you into the TADA family.
